

The New Araneta Center

Now Under Construction

The renaissance of the Araneta Center is part of a comprehensive Master Plan that will mix state-of-the-art retail, entertainment, office, hotel and residential uses—creating a unique synergy to make the Center a truly special place to live, work and play.

Manhattan Garden City will be the country's first transit-oriented development, linking all of its 20 condominium towers to the metro's fast, traffic-free train system.

The Gateway Tower: a 30-level world-class office skyscraper adjacent to and directly connected to the award-winning Gateway Mall.

Novotel Manila Araneta Center: a deluxe business hotel conveniently located in the center of the business and entertainment district of Quezon City

The Araneta Center Cyberpark provides the best quality and most cost-effective world-class techno park services to technology-based companies.
