

# Araneta Center inaugurates Mandarin Oriental Suites at Gateway Mall

**GATEWAY MALL** welcomes the newest addition to its amenities — a series of function and business rooms operated by world-renowned hotel chain **Mandarin Oriental Suites** at the mall's fourth level.

The first events venue to be located inside a mall, the Mandarin Suites provides various meeting and conference rooms to serve banquet facilities for private parties, workshops, special events and other celebrations. It consists of two luxuriously-appointed halls named Sapphire and Topaz and can cater to as many as 300 people in one event. Other exclusive facilities include a pre-function reception area, bar, a pre-event organizer's venue, and a complete business center.

Owned by Araneta Center, Inc. and operated by Mandarin Oriental Hotel, the Mandarin Oriental Suites

## **MANDARIN ORIENTAL Suites**

is the second collaboration of the two parties following the opening of the Mandarin Oriental Café & Deli at the upper ground level of the mall in 2005.

With the inauguration of the Mandarin Suites, Gateway Mall continues to thrive with world-

renowned anchors to give its patrons a taste of the good life like no other.
