Thank you for inquiring into retail leasing opportunities at Araneta Center. We are eager to learn more about your store concept.

Although we would like to meet with you to discuss your important retail space needs, it is impossible due to the many inquiries we receive. Therefore, we request that you submit a proposal with the following information:

1. Information and description of the store concept, merchandise, customer demographics and price points.
2. Information on company and stockholders. If the company is privately held, a sole proprietorship or a partnership, background information on the principal(s).
3. Locations of all stores. (Or if this is your first store, please indicate so.)
4. Minimum and maximum sizes of stores.
5. Annual gross sales of your stores over the last three years, particularly per mall locations.
6. Photographs of most recent stores, including storefronts and fixtures.
7. Brochures, press releases, catalogs or other information about the company, the merchandise or the stores.

Your proposal will be reviewed by the Araneta Center Leasing Committee. We regret that unless your proposal has been reviewed and approved by our Committee; and until a suitable space becomes available, we may not be able to meet with you personally. Please be assured that your inquiry will be treated in confidence and evaluated with care.

Thank you for your interest in Araneta Center.
